Dear Alison,

SOUTH BRISBANE RIVERSIDE NEIGHBOURHOOD PLAN

Further to our September 2009 correspondence to Joel Northcott, Business South Bank (BSB) would like to acknowledge that its comments in relation to the *'introduction of mixed use developments throughout the precinct'* have been accepted and incorporated into the August amendments.

BSB would like to provide its endorsement to the Plan and looks forward to a speedy adoption by Brisbane City Council and the State Government.

Yours sincerely,

Regards

BARTON GREEN
Chair
